CROMEY

The Domaine de Cromey sits among the vines in a peaceful vale to the south of Beaune. Since the late 1600s, the locals have called it the 'chateau', and there were indeed Lords of Cromey. But the property was always more a baronial farm than a residence. It was, in fact, the winery for these local lords, as the surrounding vineyards, vast vaulted cellars and imposing wine press attest.

THE HEART OF BURGUNDY

Today, Cromey is a luxury manor house complex dedicated to the enjoyment of the food, the wine and the natural beauty of Burgundy. With six en-suite rooms in a compound around a courtyard within the acres of a walled park, the Domaine de Cromey offers modern comfort and quiet sophistication in a tranquil setting from a bygone time.

A FEAST FOR EVERY SENSE

With over 30 years' experience and a boundless passion for Burgundy, we bring our widely-renowned cuisine and local knowledge of small-production Burgundy wine to this remarkable unsullied setting. At Cromey, you feel Burgundy. You can taste it. The culture is honest and true. It's what Cromey is all about.

LIVE LIKE A LOCAL

So let us show you the true Burgundy. We'll open doors that tourists never find. Take you into vineyards with the people who work them daily. Into cellars that are not open to the just anyone. We'll introduce you to families that we have known for two, and often three, generations. Give you access to the Burgundy that we call home, and garnish it all with the personal touches that take you beyond tourism and into real life. And then, when the day is done, when you think it can't get any better, you come home to Cromey.

ACTIVITIES

BURGUNDY HOUSE PARTY

We've always felt there are two types of holiday: the travel holiday where you site-see and are immersed in different cultures, but need a vacation afterward to recover; and the relaxing holiday which is certainly therapeutic, but hardly stimulating. Elden's Burgundy House Party, at the Domaine de Cromey, is a blend of the two, the travel experience with the relaxing vacation.

BURGUNDY FOOD AND WINE WORKSHOPS

The kitchen at Cromey, the center of all household activity, was intentionally designed as a workshop, right down to the sliding metal workshop doors. Our intention from the outset was to create an environment where the best of Burgundy could be assembled and shared. Workshops at Cromey are hands-on sessions where the food and wine of Burgundy comes alive.

BIKING AND HIKING, NATURE ON YOUR DOORSTEP

Step outside the gates of Cromey and you enter a great wide swath of nature waiting to be explored. Burgundy the beautiful. And whether you hike or bike, climb or fly, prepare to be blown away.

TAILORMADE, JUST FOR YOU

There are moments in life and seasons of the year that we celebrate with just our closest ones. A holiday. A big round number. A wedding. Cromey is the perfect spot for you to host that special occasion. Quiet sophistication. Cozy cuddled comfort. Friendly, discreet and attentive staff. The best of Burgundy food and wine. All for you and you alone. Let us help to make that special moment special. We know how to throw a party!

THE GARDENS, THE BOUNTY AND THE BEAUTY

The Domaine de Cromey is a luxury manor-house compound that sits within the acres of a walled-in park, with perennial plantations, herb and vegetable gardens, a conservation orchard, wild-flower meadow and a vineyard that is coming-to-be. We draw inspiration from the beauty that surrounds us, and nurture nature with care and attention.

"A wonderful week in paradise. One of God's beautiful places."

Jennifer L.

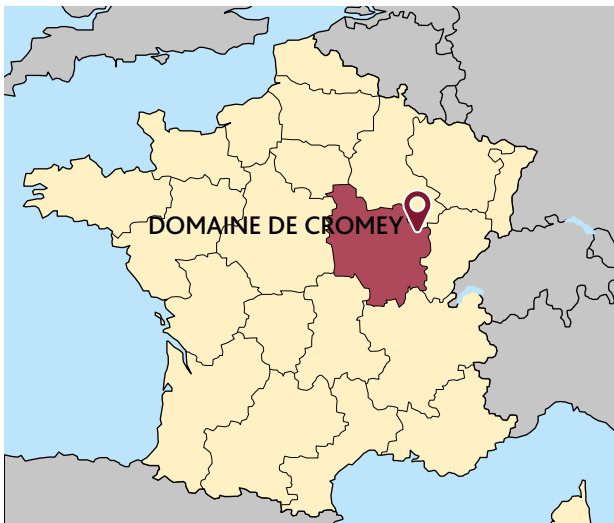

The food and wine was as good as it gets. We would come back just to eat!"

Nick H.

TRUE BURGUNDY

Green and clean, Cromey is a haven, its gardens and orchards untouched by chemicals. Natural springs stream down from the vineyard above and cascade into the lower reaches of the park, creating a natural habitat for wildlife and biodiversity for birds.

Organic production of fruits and vegetables, bees and free-range poultry are transforming Cromey into one of Burgundy's premier culinary destinations.

COME HOME TO CROMEY

So come to Burgundy. Come to Cromey. Whether it's for a lavish week-long house party with friends and family, or one of our acclaimed food and wine workshops; whether you choose Cromey as a base for a Burgundy cycling or hiking adventure, or just want to be wrapped in our cozy, coddled comfort, Cromey is the place. After all, we are the true Heart of Burgundy.
